Prestigious Nomination: AVC Technology Named Finalist in MSP Titans of the Industry 2024 Awards

Indianapolis, IN – AVC Technology is honored to announce that we have been named a finalist in the inaugural MSP Titans of the Industry Awards for 2024. This recognition highlights our commitment to excellence, innovation, and leadership within the Managed Service Provider (MSP) industry.

The MSP Titans of the Industry Awards celebrate the top performers in the MSP sector, recognizing those who have made significant contributions to the field through exceptional service, innovative solutions, and impactful business growth. Being selected as a finalist is a testament to our dedication to delivering outstanding results for our clients and advancing the MSP industry.

“We are incredibly proud to be recognized as a finalist in this year’s MSP Titans of the Industry Awards,” said Brian Johnson, CEO of AVC Technology. “This nomination reflects the hard work and commitment of our entire team. We are dedicated to driving innovation and providing the highest level of service to our clients, and it’s an honor to be acknowledged among such a distinguished group of industry leaders.”

The finalists were chosen after a thorough evaluation process that assessed various factors, including business growth, customer satisfaction, and industry impact. The winners will be announced at the MSP Titans of the Industry Awards ceremony on December 4, 2024 at The Beverly Hilton Hotel.

AVC Technology is excited to join our fellow finalists at the upcoming event and looks forward to celebrating the achievements of all the nominees. We are grateful for this recognition and remain committed to continuing our work in driving the MSP industry forward.
